STAT

Dear Molly,

Per our 17 January telephone conversation, following is the exact text of the message as I received it from our favorite Ambassador:

"Your wonderful letter of January 9 arrived and I have had good talks with Al who understands perfectly. He has taken steps to assure that nothing lousy happens. Am greatly bucked up and know you will be. Letter with details is on its way. cheery and well. All love, Charlie."

If you would like me to send a reply, please let me know.

Warm regards.

Sincerely yours,

George A. Carver, Jr.
